

IntelliTouch 60

The IntelliTouch 60 quickly and easily captures all the information you need to remain compliant, transparent and profitable.

Real-time payroll monitoring | Total hours or dollars, including overtime | Benefit accruals | Payroll integration with your payroll provider.

Save Costs. IntelliTouch 60 is priced competitively, and offers a “pay as you go” monthly subscription to help you conserve business capital.

Save Time. Your employees – up to 1000 per clock – can quickly and easily:

- Review punches, hours, schedules, and benefits
- Request time off
- Attest to daily shift or pay period activity and compliance

Reduce Your Exposure. Quickly, Accurately, Transparently.

FLSA, FMLA, ACA, PBJ... Wage and hour litigation is skyrocketing, and under Department of Labor requirements, employers are solely responsible for the burden of compliance.

With IntelliTouch 60, your exposure is automatically reduced because it enables employees to review and affirm all workplace activities at the time clock.
